▪ **PRODUCE FROM OUR FIELD TO YOUR TABLE.** Buying local food means receiving the freshest produce. You will be supporting a family-run small business and your food won't travel hundreds of miles to your kitchen!

▪ **BEYOND ORGANIC.** We focus on using only sustainable biodynamic methods and use no artificial fertilizers and no pesticides of any sort.

▪ **ORGANIC SEEDS,** many Heirloom vegetables; corn-free, soy-free organically produced free-range chicken eggs, quail eggs, lamb, quail and chicken.
